N.B: Applications will be submitted two weeks prior the deadlines

### Universities' Applications Procedure

**Step 1:** Students need to choose to which university they are applying by filling out a table with Ms. Rachelle Slim- for the grades to be retrieved.

**Step 2:** Students should retrieve the applications from the SOI- Tuesdays/Wednesdays/Thursdays. Students can apply online or hardcopy. The recommendation forms will be torn from the application and kept with Karla.

**Step 6:** Students will have to submit their applications two weeks prior the set deadline. They have to fill out their applications and submit their documents plus money to Ms. Rachelle in an A4 envelope- if they find any difficulty in filling out information- they should ask for Karla's assistance.

**Step 7:** Once applications are ready, Rachelle will give them to Karla who will double check them before sending them with the driver.
