Stages for G11 during the Christmas Break

Dear Parents, Teachers, and Alumni,

The SOI is organizing internships (stages) for G11 during the Christmas break. It is only a one day internship for 4 to 5 hours. If you are a business owner, or you work in any industry and can host our G11 (Premiere) students please inform us. Any assistance from your end will help us guide our students towards their future career path. Looking forward to collaborate with you on this project.
