## Universities Entrance Exams- G11

Dear Parents,

Entrance Exams are a prerequisite to universities. The school through the SOI is trying to accommodate and assist students by offering some on campus. Students in G11 are advised to prepare and do all exams they need for university . Details below:

**DELFB2 Junior**- Administered by the Institut Francais- For Bac Libanais students- needed mostly for universities in France and French universities in Lebanon. Cost of Exam 70 Euros. Students register themselves for the exam and not through the school.

<https://institutfrancais-liban.com/calendrier/beyrouth/#/>

**Digital SAT Preparatory Course**- Administered by Amideast.for BL and BF students- needed in all universities that are American, or that follow the American System. The course is 40 hours offered in school. It will be given on Saturdays starting mid-October. Cost of course \$180/student. No need for a book- everything will be sent e-copy. To register for the SAT I exam, students need to do so by themselves online <https://satsuite.collegeboard.org/sat/registration> Cost of the exam is around \$107.. The students can do the test in November, December, March, May or June.

**Academic IELTS**- Administered by the British Council- For BL and BF students- needed in all universities in countries where English is the first language and in American Universities in Lebanon. The cost of the test is \$205. Students need to register for the test themselves.
